

Transfield Worley Services Regional Leading Practices Forum West Coast 08

Save the Date!!

Sunday 16 – Tuesday 18 November 2008

Regional Leading
Practices Forum
WestCoast08

Tackling Regional Challenges – Facilitating the Journey

Are you confident that your existing business strategies are addressing the current challenges in the region?

The Forum will offer a unique insight into leading practice methodologies that will enable you to drive superior performance within your projects and core business.

Regional industry leaders will showcase a number of interactive case studies addressing the core challenges within the region, including:

- Infrastructure for Resources
- CO₂ Emissions Management
- Solutions for Skills Shortages
- Productivity Efficiencies
- Disaster Management
- Large Scale Capital Works on Brownfield Sites
- Regional Vulnerability in an Expanding Economy

Sunday 16 – Tuesday 18 November 2008 | The Esplanade Hotel | Fremantle | Western Australia

www.twsbestpractice.com

The Forum will provide an opportunity to build and strengthen industry relationships within the region, while also allowing the chance to discuss the topics of interest with the industry leaders who have presented over the two days.

Networking Activities

- Ocean Leadership Challenge
- Heart Starter – early morning group walk or jog
- Networking breakfasts
- Dinner at Fremantle Prison
- Site visit and guided tour of Inductions Centres Australia, Bibra Lake

Benefits of Attending

- Gain knowledge from regional industry leaders sharing their experiences and visions
- Measure the standard of your business on a regional scale
- Learn how others are successfully implementing leading practices
- Regional networking opportunities
- Exchange ideas, new developments
- Implement key takeaways into your business activities

The official invitation and detailed program will be available via your Contract Manager from mid August – registration will open from this time on www.twsbestpractice.com
